

TRIODERM®

Trioderm® CARE, Cooling foam with arnica with a crackling effect, 35 ml

Trioderm® CARE, Cooling foam with arnica with a crackling effect

General description

A crackling foam with a unique "Crackle Effect" based on arnica extracts with a cooling effect. For application to tender spots after insect bite or sting; for skin swelling. Leaves long-time feeling of cold. Extract of Arnica Montana is traditionally used for its anti-inflammatory effects.

Directions for use

1. Shake well before use.
2. Hold the spray bottle in the upright position.
3. Apply a small amount of the product to the affected area with a short intermittent (not long) squeeze on the valve and, thanks to the unique Crackle Effect, allow the foam to work, then you can spread it into the skin as needed.
4. If required, repeat the application two to three times a day.

Contraindications

When using on face, first put a small amount of the preparation on your hands and then spread it over your face. Do not use in children under 3 years of age. Only apply the preparation on healthy skin. Do not apply the preparation on wounds, abrasions and mucous membranes. If irritation occurs, interrupt use immediately. Do not apply to the eyes. In case of accidental eye contact, wash the eyes thoroughly with water.

Precautions for use

When using on face, first put a small amount of the preparation on your hands and then spread it over your face. Do not use in children under 3 years of age. Only apply the preparation on healthy skin. Do not apply the preparation on wounds, abrasions and mucous membranes. If irritation occurs, interrupt use immediately. Do not apply to the eyes. In case of accidental eye contact, wash the eyes thoroughly with water.

Warning

Extremely flammable aerosol. Pressurized container: may burst if heated. Keep away from heat, hot surfaces, sparks, an open flame or other sources of ignition. No smoking. Do not pierce or burn, even after use. Keep cool. Protect from sunlight. Do not expose to temperatures exceeding 50 °C. Keep out of reach of children. Ventilate the room after use. Do not eat, drink or smoke during application. Protect your eyes during application. Best used before the date indicated on the bottom of the container. Dispose of in organized waste collection.
