

TRIODERM®

Trioderm® CARE hand cleansing gel, 50 ml, 250 ml

Trioderm® CARE hand cleansing gel

Alcohol-based flush-free cleaning gel with hydrating ingredient and pure natural essential oil Litsea cubeba. Suitable for the whole family, including children from 3 years of age.

General description

Flush-free hand cleansing gel with a high alcohol content to ensure sufficient cleanliness of hands in case of unavailability of water and soap. Contains glycerin, which moisturises and softens the skin and smells pleasantly of Litsea cubeba essential oil. The gel does not leave a sticky feeling on the hands, nor a greasy film and does not dry out the skin.

Directions for use

Apply a sufficient amount of gel to the palms of the hands, spread over the entire surface of the hands, including the areas between the fingers, and let it dry freely. Do not rinse.

Warning

Do not use the gel if you are hypersensitive to any of the ingredients in the product. Avoid contact with the eyes: Do not use on injured skin or in case of skin diseases. Keep away from heat, sparks, open flames and hot surfaces. No smoking. Keep out of reach of children. Dispose of in organized waste collection. Store at 5-25 °C. Use by the date stated on the packaging.

Ingredients

Alcohol, aqua, glycerin, propyl alcohol, acrylates/c10-30 alkyl crosspolymer, litsea cubeba fruit oil, aminomethyl propanol, citral, limonene

Contraindications

Do not use the gel if you are hypersensitive to any of the ingredients in the product. Avoid contact with the eyes: Do not use on injured skin or in case of skin diseases.
